Re: EPF... 帛金。Must submit Claim Within 60 days...

所有在 EPF 有户口 的人，无论你几岁，无论你 EPF 的户口开了多久，无论你 EPF 里有多少钱，也无论你只还了几个月的 EPF，根据政府规定只要任何一个人的 EPF 户口还在，他/她去世时 EPF 就必须给他/她的亲属 RM5000 的帛（bo）金（家属必须在 2 个月内去领，过期后就不行了）。

EPF 从不通知我们这个，都不知道从以前到现在有多少人的家属没领到 RM5000 的白金，也不知道这 RM5000 的帛金是不是进了 EPF 谁谁的口袋里。

所以大家马上把这件事通知所有亲戚朋友，不要少拿了帛金，该拿的我们必须拿！大力 share 出去！！

ATTENTION to everyone who has an EPF account！！

No matter how old are you, no matter how long you have held your EPF account, no matter how much money you have in you EPF account, and matter how long you have paid for your EPF, according to Government Law, EPF will need to pay RM 5000 to an EPF account holder's family when he/she died (family members need to claim the RM 5000 within 2 months).

EPF never inform us about this, I reckon very few people's family did actually receive this RM 5000 when his/her family member died because not many people know about this. Where did this RM 5000 goes when the died's family did not claim for RM 5000? someone's pocket?? We don't know!

So please bombard this info to all your families, relatives, colleagues and friends, let them know about this info and remember to claim RM 5000 when his/her family members die.

Don't let this RM 5000 go to someone's pocket！！
